**EXAMINER'S COMMENT**

***Response to Amendment***

1. Applicant's amendment filed on May 21, 2007 has been entered. The specification has been amended to include a cross-reference to U.S. Pat. App. 11/165,241, such application being a divisional of U.S. Pat. 5,967,637 (of which the instant application is also a reissue). No claim has been amended, cancelled, or added. Claims 1-37 are still pending in this application, with claims 1, 12, 14, 15, 25 and 32 being independent.
  
2. Acknowledgment is made of applicant's filing of the consent of all assignees on May 21, 2007, in compliance with 37 CFR 1.172 and 3.73.

***Allowable Subject Matter***

3. Claims 1-37 are allowed.
  
4. The following is an examiner's statement of reasons for allowance:

Applicant teaches a method for manufacturing a light guide; such method including a mold provided with a molding gate in a supplemental cavity located a predetermined distance from an incident surface of the light guiding plate. Once the molding process is completed, at least a portion of the supplemental cavity including the molding gate is removed from the preform.

5. No prior art was found teaching individually, or suggesting in combination, all of the features of the applicants' invention, specifically a light guide plate mold including a gate in a supplemental cavity, such cavity being removed from the preform after the molding process is completed.
6. In response to applicant's comments regarding the reasons for allowance stated in the previous Office Action (mailed March 20, 2007), a new statement is provided above, such new statement is believed to cover all the claims and parallels the reasons for allowance presented in the previous application (i.e. U.S. Pat. App. 08/520,658) from which the instant application is a reissue.
7. Any additional comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
